Dear Sister Corinne Jennings:

I received your note regarding "Drive-By-Pick-Up" of the elements of Communion. Trinity has opted to do Communion on the airways, (Radio), and online, (YouTube and Facebook Live).

This practice reaches more of our members so that those who are sick can still participate, and even those that are well do not have to come out, since the Corona Virus has been reported to be airborne. Safety for all our members, the sick and the well is our priority.

Every first Sunday of the month, we do Communion at the end of our Worship Broadcast. We ask members to use bread from their home and juice, (fruit of the vine), from home, then offer the blessing to dedicate it for the purpose of Jesus Christ, which translates it to "Holy Purpose of Holy Communion" for all believers.

If you would like to actually pick up your Communion elements to be used on First Sunday, the Church office is open to the public on Tuesdays and Fridays from 9:00 am until 1:30 pm.

I look forward to us sharing Communion on the First Sunday on the Radio and/or on [www.tv.trinitybaptist.cloud](http://www.tv.trinitybaptist.cloud).

Blessings,

  
Reverend Alvin Tunstill, Jr., Pastor
