Dear: Pastor Tunstill and Members of our Trinity Family

On behalf of the Lorene Bradley family we thank you for your prayers and condolences. Your words of comfort through cards, letters, flowers, food, telephone calls and gifts meant so much to us as we mourned the loss of my wife, and the Mother of our children. She meant so much to our family.

The service for Lorene was very nice, although limited to members of the family because of the pandemic. Pastor Tunstill as usual, provided great words of comfort for the family. We wish all of you could have been there with us to celebrate the life of Lorene. Thank you Pastor Tunstill.

Several members of Trinity who could not attend the service, participated in a "Drive By Our Home Celebration" after the service. Pastor and Dr. Tunstill joined them, wishing the family the best with signs, horns, cards and letters and shouting words of love and comfort. It was an awesome gesture of love to the family. We thank our Trinity family, and friends who participated in the parade.

Finally, the overall response received from the Trinity family acknowledging our loss is one we will never forget. Still today, we continue to receive telephone calls, cards and letters of genuine care.

Trinity, again, we are so grateful you opened your hearts to our family. We are so proud you have kept us in your prayers.

We look forward to your continued love and friendship in the future.

Our love to you,

Bro. James Bradley

The Lorene Bradley Family.
