Dear Rev Alvin,

Thank you for helping us rescue some of Uganda's most vulnerable children. Your gift on 11/18/2021 of \$100.00 ensures every life rescued is a story of a life transformed.

As a young child, Lawrence was rescued and welcomed into a family in our Suubi village. And because of your faithful support—and all our sponsors and partners around the world—over the years we've been able to provide him with food, medical care, an education, and a home, as we taught him about the love of Christ. He's now in high school and we love that we've been able to watch him grow into the leader God has called him to be.

Throughout the pandemic Lawrence, and 87 of our teenagers and young adults, have been serving at Baby Watoto.

Because of partners like you, their lives were transformed and now they are giving back and feeding into the lives of their younger Watoto brothers and sisters. We couldn't be prouder.

In Gratitude,

Eugene Stutzman  
Executive Director
